

While in Level 2 at any time, many clubs will not be dancing until we are back to level 1, hope we get back to dancing soon.
Check with your club secretary if unsure.

RSCDS Fees Due

RSCDS Fees are due again in September. Clubs have been sent the information for all current members.

Note this year, fee costs have been reduced. The RSCDS has reduced their portion, the NZ Branch gave a reduction, and then the Canterbury Region also made a reduction of 10%, so that fees this year are reduced by quite a substantial amount. Your club secretary or treasurer will be in contact to advise the exact amount you need to pay, and date due to be paid.

Note if you have changed club, or are a new member, you will also need to complete an appropriate form.

All dancers are encouraged to join the RSCDS, to support our NZ Branch and wider RSCDS dancing community.

This Newsletter is available to all dancers, who would like it. It is sent by email only. So if you know of anyone else who would also like to receive it, let me know their email address and I will add them to the list.

Editorial

Once again we have had to endure postponed club evenings, and dances, due to COVID 19 back at Level 2, which means contact restrictions making SC dancing not practical.

We are hopeful that we will return to Level 1 this coming week, and if so, then the Region “Welcome Back” dance can proceed on Saturday, 29 August.

Lincoln Club dance is due to be held on 12 September, again if the Covid-19 restrictions are lifted.

The programmes are listed later in the newsletter. Both programmes have a range of well known dances.

Waimate Club is planning a mix of walking and danced dances at their afternoon dance, a chance to support a small club with a variety of dancers and dances.

Region Intermediate/Advanced Classes

Fridays - Bishopdale Community Centre Hall, Bishopdale Mall, at 7.30.p.m.

Note – the classes will recommence as soon as COVID Level 1 is re-instated.

Cost is \$5.00 per week.

These classes are for dancers who have been dancing for at least a year, with basic knowledge of steps and formations. The emphasis is on increasing knowledge and ability to enjoy Scottish Country dancing.
