*In the case of Robinson, Wilson, Johnson, McCorkle, Henderson, Jameson (also Irish), Mann and Swan, they are also from other clans or English names. Robinson and Wilson are very English but there are lines of them in Caithness that are not. There is a narrow line of Johnson Gunns that are not Clan Johnston as with the Hendersons of Caithness. McCorkle is also a McLeod sept name.*

**Note:** *If your name doesn't appear on the Sept list and you would like to join the Clan then there is provision for you to do so as an Associate Member providing you are prepared to support its ideals and principles.*
